2. Administration Report

3. Default Enrollment Report, Settings

1. Only Subject Level
Access

2. Students

The screenshot shows a software window titled "New Enrollment Report" with a breadcrumb trail: "Home" > "Assessment" > "Reports" > "Content" > "Assessment" > "Community". The window has a "Required" indicator. The "Report Name" field contains "Enrollment Report 01-30-2013". The "Show Details" section includes four checkboxes: "Student School ID" (unchecked), "Parent User Name" (unchecked), "Student Attributes" (unchecked), and "Subject Level Access" (checked). A red circle highlights the "Student Attributes" and "Subject Level Access" options. A blue callout bubble points to the "Students" breadcrumb, and another blue callout bubble points to the "Subject Level Access" checkbox. At the bottom, there are "Cancel", "Save As", and "Save" buttons.

Report Name: Enrollment Report 01-30-2013

Show Details:

- Student School ID
- Parent User Name
- Student Attributes
- Subject Level Access
